July 2023 - August 2024

- Migration of an enterprise backend from golang microservices to a Node.js monolith (golang, AWS, TypeScript, Node.js, Fastify, PostgreSQL, Docker)
- Continuous development of a Node.js based enterprise backend
- Development of an internal knowledge base and AI Agent (React.js, Next.js, Python, Langchain, OpenSearch, Haystack, Terraform)

Fireflow Accelerating Technology Ventures GmbH

Munich, Germany

iOS APP DEVELOPER

May 2021 - May 2023

- Development of the Meiller MiDrive iOS App (Swift, SwiftUI, UIKit, SPM, CocoaPods, Xcode, BLE communication)
- Requirements elicitation, system specification and design of new features (figma)
- CI (Jenkins, Buildkite, fastlane, Firebase, App Store Connect)

Scalable Capital GmbH

Munich, Germany

INTERNSHIP CS AND SALES

June 2020 - July 2020

- Customer support in the areas order execution and portfolio management (salesforce)

Fondsconsult Research AG

Munich, Germany

MACHINE LEARNING ENGINEER

May 2019 - May 2020

- Research and implementation of algorithms for predicting investment fund performance (Python, Tensorflow, Keras, SciPy, jupyter, Morningstar Direct)
- Assistance on the publications “Robo-Advisor-Studie” and “VV-Studie” (MS Office, Morningstar Direct)

Getnow New GmbH

Munich, Germany

TECHNICAL ASSISTANT

Jun. 2018 - Oct. 2018

- Develop automated data analysis tools for the product and services department (Python, SciPy, Keras, Tensorflow)
- Web scraping and data analysis tasks for the marketing department (Python)
- Database maintenance (MySQL)

Education

TUM (Technical University Munich)

BACHELOR IN INFORMATION SYSTEMS

Munich, Germany

Apr. 2020 - Sept. 2023

- Thesis on the use of blockchain for handling personally identifiable information (Eosio, Quorum, Go, Node, TypeScript, Angular, Vapor, MySQL, MongoDB, Docker)
- iOS internship - Bosch (Swift, SwiftUI, UIKit, CocoaPods, Xcode, OAuth, Postman, BLE Communication, Jira, Confluence)

TUM (Technical University Munich)

BACHELOR IN TECHNOLOGY AND MANAGEMENT

Munich, Germany

Oct. 2017 - Mar. 2020

LSH-Ising

GENERAL QUALIFICATION FOR UNIVERSITY ENTRANCE

Chieming, Germany

Aug. 2013 - Jul. 2015

- Theater group, Big Band, Rowing club

Skills

Programming Languages TypeScript, JavaScript, Swift, Go, Python, Dart, C++

Mobile Frameworks SwiftUI, UIKit, Flutter

Backend Frameworks Vapor, Node.js, Fastify, Express, FastAPI

Databases PostgreSQL, MongoDB, SQLite, Realm Swift

Blockchain Quorum, Eosio

Web Frameworks React, Next.js, Angular, Vue.js

AI Tensorflow, Keras, SciPy, jupyter, haystack, langchain, langgraph, openhands

Project Management Phabricator, Jira, Confluence, Asana, Azure DevOps, Github

Devops and Infrastructure Github, Firebase, fastlane, Docker, AWS, Azure, Terraform

Languages German: C2, English: C2, Portuguese: C1, Spanish: B1
